India's financial market landscape:

- Our country has shown resilient growth and v-shaped recovery after the COVID epidemic.
- Today, we stand strong amidst global economies with our meteoric rise and unwavering determination to reach new heights surpassing well established economies globally.
- On June 12, 2023, Finance Minister Nirmala Sitharaman's office tweeted that India's GDP touched the \$3.75 trillion mark in 2023.
- Currently, India stands proudly at the 5th rank globally.
- We would soon become world's 3rd largest economy by 2027-28* as per latest estimates in public forum.
- India's economy expanded by 6.1 percent in the Q4 of the fiscal year 2022-23, leading to an annual growth rate of 7.2 percent

India's rank in GDP

Rank	Country	GDP (in U.S. dollars)	Annual Growth rate
1	United States of America	23.3 trillion	1.58%
2	People's Republic of China	17.7 trillion	6.3%
3	Japan	4.9 trillion	1.3%
4	Germany	4.3 trillion	0.2%
5	India	3.75 trillion	7.2%

India's financial market landscape:

India's economy boasts diversity and swift growth, fuelled by key sectors such as information technology, services, agriculture, and manufacturing. The nation capitalises on its broad domestic market, a youthful and technologically adept labour force, and an expanding middle class.

The growth trajectory for India is well established now and this has attracted investors not only from India (citizens of our country) but also global investors.

India has become an attractive investment destination for international investors, FIIs, QIPs, Hedge Funds and Value investors alike. Financial literacy and Financial Inclusion drive initiatives of the Government has also paved way for more awareness and cognizance about the financial industry amongst Indian citizens.

Money is flowing in the stock market, commodities derivatives, ETFs etc., by direct retail clients, HNIs, Private investors, DIIs, Mutual fund houses, Insurance companies, AMCs etc. resulting in growth in Indian indexes NSE, BSE, IEX, MCX etc.

The expansion of branch banking network too has brought the unbanked population within the ambit of the financial inclusion and financial literacy.
